**Missions Prayer Request**

September 2019

*Material for this month's article again comes from the July 2019 Missions Mosaic "Prayer Patterns", page 30, written by Lucretia Mobbs.*

*We grow in our faith and in our love for God as we daily practice "Spiritual Disciplines". Last month we discussed reading God's word and prayer.*

*This month, let's think more about prayer and about Christian meditation.*

*Some situations are so traumatic and painful you don't know how to pray... "Mercy, Lord, mercy" may be the only words your soul can form in prayer. When you don't know how to pray, God prays for you through the Holy Spirit. (See Romans 8:26-30.)*

*Release your confusion, pain, and trauma into God's perfect knowledge, power, and love.*

*Allow the beauty and mystery of the Holy Spirit's prayer to wash over you. Let gratitude well up and spill out in love for God's perfection and steadfast love toward you. Breathe deeply and rest in this marvelous gift of God's grace and peace.*

*Pray for people who live in great darkness and confusion about God. Pray for missionaries who labor to bring the beautiful light of God's grace to them.*

*Meditating on God's word is a spiritual practice with many benefits. (See Psalm 119:97-104.) First, your faith in God grows when you prioritize time to meditate. This focus on scripture requires a mind uncluttered by distractions. So from what might you need to be freed in order to create space for prayer and meditation?*

*Second, you fill your mind with God's word, works, and attributes when you meditate. Like the psalmist, you become like a well-watered tree bearing much kingdom fruit. Meditating on God's word pleases Him.*

*A missionary's day is filled with many responsibilities and activities. Pray for time to study and meditate on God's word and for opportunities to teach others this spiritual discipline.*

*Please Pray. We are to be, after all,*

**Ladies Bible Study**-Every Tuesday beginning September 24-October 29, 2019.

"The Faithful"-six week study. "Now faith is the reality of what is hoped for, the proof of what is not seen. For by it our ancestors won God's approval." Hebrews 11:1-2. In "The Faithful," we will explore pivotal moments in the lives of five Old Testament predecessors. Borrowing from previous studies by Priscilla Shirer, Kelly Minter, Beth Moore, Jennifer Rothschild, and Lisa Harper, we will see how God uses the lives of ordinary people for His glory and the good of His people. We will strengthen our faith as we walk alongside Gideon, Nehemiah, Esther, Hosea, and Malachi as they chose to obey God, no matter their circumstances. A sign up sheet will be posted on the hallway bulletin board beginning August 21. Please include your name, phone number, and email address. If you would like to sign up by email, please do so at [spivey114@windstream.net](mailto:spivey114@windstream.net); please include your name, phone number, and email address. Looking forward to our time together and already praying for God to bless in great ways. Thanks, Cynthia Spivey

**I remember where I was like it was yesterday...**

I was on the third floor of Taylor Hall, Campbell University. It was a beautiful September morning and life was good. Our daughter was only a couple of months old and I was 8 months into a new pastorate. Everything in our world was new and beautiful with only wonderful things to come. Little did we know, our innocent world was getting ready to be turned upside down forever.

At exactly 8:45am EST, a Boeing 767 loaded with 20,000 gallons of jet fuel crashed into the North tower of the World Trade Center. Shortly after the first impact, one of the religion professors was heard hollering in disbelief of the events unfolding before our very eyes. Almost instantaneously every student on the entire floor crowded around the small 30 inch TV located in the student lounge. No one could believe what they were seeing. Not a word was spoken.

Now...18 years later, it still seems as if it were yesterday. As President Franklin D. Roosevelt said in reference to the attack at Pearl Harbor... “a date that will live in infamy.” Likewise September 11, 2001 will also live in each of our hearts till our final days.

In consideration, this coming Wednesday September 11, I’m planning to do a study of remembrance that very evening to commemorate the 18<sup>th</sup> anniversary of that fateful day. My hope and prayer is that many of you will make your plans to be a part of this very special service. In addition to our time of study, I have a very special video to share with each of you. I can promise you...this will be one service you’ll not want to miss.

God Bless You  
Pastor Scott
