US Census 2020--The count is mandated by the Constitution and conducted by the US Census Bureau, a nonpartisan government agency. Invitations to respond to the 2020 Census will be delivered between March 12-20, 2020. Once you receive that invitation, you can respond online, by phone, or by mail. Responding to the 2020 Census is easy. A complete and accurate count is critical for you and your community, because the results of the 2020 Census will affect community funding, congressional representation, and more. By law, the Census Bureau cannot release any identifiable information about you, your home, or your business, even to law enforcement agencies. That's protected under Title 13 of the U.S. Code. Spread the word. Everyone can play a part in ensuring a complete and accurate count in 2020.
