=====Th  
 The lollipop trees located at the front and side door of the church are to remind you of Lottie Moon and her sweet mission. Lottie Moon served nearly 40 years as a missionary. She was a teacher and also traveled throughout China to share the good news with others. She was passionate about people knowing Christ. Since 1888, the Lottie Moon Christmas Offering for International Missions has supported Southern Baptist missionaries as they share the gospel around the world. The offering was officially named the Lottie Moon Christmas offering in honor of her in 1918 by the Women's Missionary Union (WMU). So, please take a lollipop, leave a donation, and remember the sweetness of Jesus that Lottie shared with many others. 100% of each donation goes to missions so that others may come to know Jesus as their Lord and Savior.
